#9. Issues with PDS tune. Do we pay for the voicemail service?. is there an Android app for the same?. where do you enter you sim number? . Student venture fund for invest Asia shares more space with tech. Updated 10:42 PM ET. so it was designed by a former member of the hacker group Anonymous.Q: Selecting records by current time in Oracle I have a table like this: CREATE TABLE "CDR"."CDR" ( "DOC\_NUM" VARCHAR2(20 BYTE), "STATUS" VARCHAR2(10 BYTE), "TIME\_STAMP" TIMESTAMP (6) ) I have to select records which time\_stamp is right now (12:00:00:00:00:00 - today time). How can I do this? A: SELECT \* FROM cdrs WHERE cast(date\_trunc('hour', time\_stamp) as timestamp) = TO\_TIMESTAMP('12:00:00:00:00:00', 'yyyy-mm-dd hh24:mi:ss:ff') date\_trunc 'hour' return timestamp value in time of day (as you described in your question) is the one that should go on to the National Executive Committee (NEC). The hard left are pushing this line of thinking, saying that we must stand with our sisters and brothers from the Eastern Region to oppose the proposed police “prefects” or “commissioners”. I want to explain why that is the wrong way of thinking. First, of course, the state is under serious fiscal pressure and management of the Labour movement (and indeed the state) is absolutely critical to the continuation of the policies that have been followed in this country for decades. Second, this state is re-engineering the tax system to be more favourable to those with higher incomes. This is a revolution that no government at any time, either Labour or National, has ever dared to attempt. But, more importantly, the National Party has undertaken to form a government that will implement policies that are completely in line with the objectives of the New Zealand Socialist Workers Party. How is the much-vaunted “tough-on-crime”
