## Railworks 4 - TaD - LV Freightpack

railworks 4 - tad - lv freightpack 2 In the section Other computer to the question How to create a folder for mods for Railworks 4? given by the author of Railgamer the best answer is For mods in the game (in the game folder) you can create folders. Folder names are the same as mod names. For example: RW\_Mods, RW\_Mods\_NoTrain, rw\_mods\_noTrain, rw\_mod\_w\_1, rw\_mod\_w\_2, rw\_mod\_w\_3 and so on. With this folder name, the mod name will consist of the folder name and the mod name. For example, the folder name rw\_mods\_1 will be rw\_mods\_1.
