June 15, 2018 - Serious Sam 4: Planet Badass surprised all with his conspicuous absence from the Devolver E3 press conference. It was the game's first public reveal in months, and more importantly, it was the first time developer Devolver Digital had publicly acknowledged how production is progressing, as well as not being ready to release the game until early 2020. The developers admitted that they spent a lot of time fixing bugs and issues they found on their previous project, but ultimately
