## The Carpenters Greatest Hits 320

April 9, 2563 BC - This website uses cookies to ensure you get the best experience on our website. Understood. Thanks. 2562 BC I have a new friend, his name is Seth. He lives in a big house with his parents and sister. He is five years old and he loves to walk and play with us. Seth does not know that he is not like everyone else. He doesn't even know who he is. One day he came up to me and asked why we all have names and he doesn't. I told him that people have names to distinguish each other from other people. Seth said he didn't have a name because no one knew him. I told him it wasn't. dd2bc28256
