August 18, 2014 - A film starring Raai Lakshmi as the female lead and Mukesh Khanna as the antagonist is to be released for Onam. Rajadhi. The film is currently in production and will be released in two weeks. The film will be released in IMAX 3D. I want to thank everyone involved in the making of this film, including the actors, cinematographers, directors, composers, writers, and more. And many thanks for your support and for believing in this project. For me, as a person who wants to do what I love, it is very important that the film I would like to act in is released as soon as possible.
