### **What's New in the?**

3nity CD/DVD Burner is a software tool which provides users with a simple means of burning any kind of files to a CD or DVD, erase discs and create ISO files. 3nity CD/DVD Burner is a software tool which

provides users with a simple means of burning any kind of files to a CD or DVD, erase discs and create ISO files. Quick setup and structured GUI You are required to go through a seamless installation process, which does not offer to download any kind of third-party products. Once you wrap it up, you come by a well-organized and clear-cut interface, as it consists of several buttons, a few drop-down menus and some panes which enable you to view the contents of your hard drive and the items you are going to include in the disc. Use a tree view to manage data This program enables you to burn any kind of file,

by simply dragging them from a folder structure to the appropriately labeled box. There is also another panel which enables you to preview the contents of a selected directory. The view can be changed from icons to list, report or small icons. Bring up disc details and change the cache size. It is also possible to erase discs and view information pertaining to them, such as total and free size, maximum write speed and device maximum read speed. From the settings panel you can set the utility to eject the DVD tray after complete and rename files if needed, as well as change the name of the volume and the size of the cache. Conclusion

To sum up, 3nity CD/DVD Burner is a pretty handy piece of software when it comes to burning data CDs and DVDs, and creating ISO images. The computer's performance might be affected during the burning process, yet it is to be expected from this type of product. The interface is user-friendly, the response time is good, and our tests did not pick up on any errors or bugs. Nonetheless, it lacks some options that other similar apps enclose. Great wildlife from all over the country have been attending the Wild Water Festival. This weekend the sixth annual Wild Water Festival comes to a close and who would have thought, from the

very beginning, that the gathering would be so much fun and so big. But it is, and so many participants are enjoying the different festivals on the island. Melanie tells us that the idea came from the Tarpon Bay Estates community center back in 2008. They had local businesses coming together to support wildlife education and it just went from there. Melanie and other organizers are looking forward to the festival in the future and they hope that more and more people will join them and learn about their ocean and wildlife. There were over 45 activities for people to enjoy, such as a maze, kayaking and lots of vendors and

food. The Redfish Man fishing
