This Rules of Engagement are available here: Established by the president in October 2013, these rules give the military the authority to select a weapon system that best supports the military mission. The rules are consistent with the deployment strategies of previous presidents and are designed to ensure that our forces are equipped with weapons that are tailored to their specific needs on the battlefield. The rules allow for a continuous cycle of upgrades to the system, making the weapon more lethal and effective while still meeting the needs of the military. These rules end the culture of "it works on paper" which has dominated the
